

News from Chrestos Mission - January 2026:

Dear Fellow Prayer Supporter of Chrestos Mission,

May you be strengthened with all power according to His glorious might for all endurance and patience with joy, giving thanks to the Father who has qualified us to share in the inheritance of the saints in light. Colossians 1:11-12.

Visits late autumn 2025:

Prior to the arrival of the main group, we visited our ex-translator, Moo Gay Khu and her husband Samuel in S'Lok village, Phrae Province near Wang Ping. Samuel pastors the small church and works hard visiting the sick and disabled. Many of these people are Buddhist whilst some have joyful Christian faith. Samuel's steadfast compassion has attracted the attention of the village head man, Soon Thong, a Buddhist and genuine servant of the people. His heart resonates with the message of the servant Messiah. Please pray for further fruitful opportunities to sow the truth and for the whole small church to be rooted in Christ.

The main group totalled 9 adults. Once again, each person came in response to God's leading and answers to prayer. Students were enriched through seeing and supporting the determination of two of the group to take part in every opportunity despite their limited mobility.

Every member of the group contributed through games, puppets, singing, playing instruments, painting murals to inspire prayer and making delightful soft toys. Students and staff were receptive and took great care of the group. We were thoroughly introduced to the work of Chrestos, shared worship

and were encouraged to hear testimonies from staff and students. We were "mutually encouraged by each others faith."

Visitors took turns to share a time of devotion each morning and times of reflection on all God was teaching us. We returned filled with praise to God for all we had been privileged to share in.
